

ADHD – Parent Packet

This Parent Packet is designed to give you some basic information on Attention Deficit Disorder & Hyperactivity Disorder. A thorough evaluation and input from you and your child’s teacher(s) are required prior to deciding whether you child has ADHD.

Please take the time to review these handouts and fill out the questionnaire entitled NICHO Vanderbilt Assessment Scale – Parent Informant.

It will also be necessary for you to take the ADHD – School Packet to your child’s teacher(s). This packet contains helpful information regarding ADHD, a letter requesting that the school provide you with any assessment testing they have completed, and also a NICHO Vanderbilt Assessment Scale – Teacher Informant questionnaire for your child’s teacher(s) to complete.

Once the school has compiled their information and the teacher questionnaires are completed, you should pick them up and return them to our office along with your completed questionnaire. You should plan to leave this information with the front office, it will be reviewed within 48 hours by your provider, and you will then be contacted to schedule an appointment to discuss the results.

We applaud you for taking the time to collect this information which is essential to a thorough evaluation for ADHD. If you have any questions or concerns, please do not hesitate to contact us.
