If parents call with questions please inform them of the lots being recalled as listed below.

This recall is not being undertaken on the basis of adverse medical events. However, as a precautionary measure, parents and caregivers should not administer these products to their children. Some of the products included in the recall may contain a higher concentration of active ingredient than is specified; others may contain inactive ingredients that may not meet internal testing requirements; and others may contain tiny particles.

Parents can contact the company at 1-888-222-6036 and also at www.mcneilproductrecall.com.

Note: Product NDC numbers can be located on the label of the bottle above the brand name
