

Website Disclaimer

The content provided on the websites of the Pediatric Associates Family of Companies is for general informational and educational purposes only.

It is not intended to replace professional medical advice, diagnosis, or treatment. Always seek the advice of your physician or another qualified healthcare provider with any questions you may have regarding a medical condition.

While we make every effort to provide accurate and up-to-date information, we make no representations or warranties as to the accuracy, completeness, or reliability of the content. We expressly disclaim all liability for any errors or omissions, or for any outcomes that may result from your use of this information.

References to specific treatments, products, or services do not constitute an endorsement or recommendation. The views expressed on our websites are those of the individual authors and do not necessarily reflect the official policy or position of the Pediatric Associates Family of Companies.

By using our websites, you acknowledge and agree that you are solely responsible for how you use the information provided. The Pediatric Associates Family of Companies and its affiliates are not liable for any damages or losses arising from your access to, use of, or reliance on website content.

We reserve the right to update or modify these terms at any time without prior notice. Continued use of our websites constitutes your acceptance of any such changes.
